### **GENERAL RULES**

1. Safety is the top priority. USE COMMON SENSE.
2. The Crawfordsville Gun Club property is for use by Members Only. No guests are allowed.
3. Member is defined as yourself, your spouse and your children under the age 18, living with you. You are responsible for their actions while on the property.
4. The Crawfordsville Gun Club property is under 24 hour video surveillance. All activities are monitored and recorded.
5. The shooting ranges are open 1/2 hour after sun rise and 1/2 hour before dark.
6. NO ALCHOLIC BEVERAGES are permitted on Club property at any time.
7. If asked, you are required to show your membership card, and you may request to see any individual's membership card.
8. The entrance gate is always to remain closed and locked. Do not leave the gate open after entering the Club grounds. The exception to this rule is if a Board Member is present to sign up new members, the gate can remain open.
9. You are required to clean up after yourself. Put trash in the containers provided.

### **VIOLATIONS / SUSPENSIONS / REVOCATIONS**

1. Violation of these Range Rules could result in suspension or revocation of your membership. If your membership is revoked, your dues payment is forfeited.
2. Intentional destruction of Club property, property of other members, or a neighbor's property, will result in immediate revocation of membership.
3. If the Sheriff is called by a Club member or neighbor about a complaint of your conduct, your membership will be revoked immediately. Your membership may be automatically reinstated after Board review of the video surveillance.
4. If suspended or revocation for violation of Range Rules, you may plead your case before the Board of Directors. The Board of Directors meets on the 1<sup>st</sup> Sunday each month starting at 9:00 am, unless that falls on a holiday, then the BOD meets on the 2<sup>nd</sup> Sunday that month.

### **SHOOTING RULES**

1. While on the range, all firearms not in a case or carried in a holster must have their actions open until ready to shoot. If the action will not remain open, insert a piece of brass or chamber flag in front of the bolt to show the firearm is in a safe condition.
2. No skipping bullets off the ground. All shots must go directly into the mound / backstop.
3. No glass, metal or explosive targets permitted at any time. No Exceptions.
4. All targets must be positioned a minimum of 18 inches above the ground and no higher than 48 inches above the ground; approximately the lower 1/3 of the mound / backstop.
5. When sighting in a rifle on the Rifle Range, move up to 25 yards to set scope and then move back.
6. No rapid fire, (rapid fire is defined as anything less than 2 seconds between shots) except if you are 30 feet or closer to the mound / backstop.
7. No full automatic or burst fire. Firearms capable of full automatic fire may only be fired in semi-automatic mode. This includes firearms classified by the NFA as machine guns, submachine guns, machine pistols, etc.
8. Drawing from holster is permitted only on the Handgun Range and only if you are 30 feet or closer to the mound / backstop.
9. At the Handgun Range, no handguns with braces or butt stocks are to be fired; you need to go to the Rifle Range regardless of caliber.
10. Shooting from one range to another is prohibited, e.g. shooting at targets in the Handgun Range from the Rimfire Range is prohibited.

### **TRAP RULES**

1. Crawfordsville Gun Club uses a 5-position trap field. No more than 5 shooters are allowed on the line at a time with only one shooter per position.
2. Ear and eye protection are strongly recommended.
3. Gun action must be kept open at all times, except when on firing line.
4. A gun may only be loaded at designated firing points.
5. Load only one shell at a time except when shooting doubles.
6. When trap shooters are in position to shoot, trap range and 100 yard rifle range are hot. No one can go down range till both ranges go cold.

### **RANGE HOT AND COLD**

1. A CEASE FIRE can be called at any time, by anyone, for any unsafe action. The CEASE FIRE command requires all shooters to IMMEDIATELY stop firing, unload their firearm while keeping their firearm pointed in a safe direction, and make their firearm safe (action is open, magazine is removed (or empty if the magazine cannot be removed), chamber is empty, firearm is resting on bench / mat, and nobody is touching the firearm).
2. Hot range (line) is when there are shooters on the line handling, loading and firing their firearms. Nobody is forward of the firing line.
3. Cold range (line) is when there are shooters on the line, but their firearm is unloaded and made safe (action is open, magazine is removed (or empty if the magazine cannot be removed), chamber is empty, firearm is resting on bench / mat, and nobody is touching the firearm). There may be people forward of the firing line placing / replacing targets, picking up brass, etc.
4. When ready to shoot range shall be called HOT when finished shooting range shall be called COLD.
5. Verbal acknowledgement of range condition (Hot or Cold) must be made by each person on the line.
